

# Red carpet Report card

Joan and Melissa Rivers weigh in on Emmy fashion

Joan Rivers (with daughter Melissa) celebrated her 1,000th interview on the red carpet. Debra Messing was the lucky celeb interviewee.

### Who was the most-improved dresser?

**Melissa:** Helen Mirren used to show up in knee socks — now, she's always one of the best dressed.

**Joan:** The whole *Grey's Anatomy* gang.

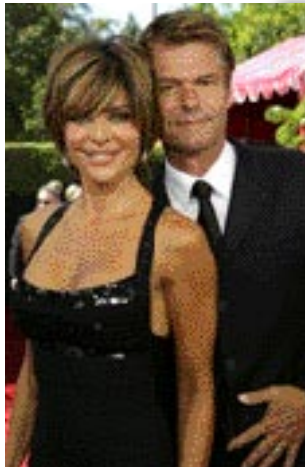

### Who was the worst-dressed female?

**Joan:** Kyra Sedgwick. She had everything stuck to the front of that dress except her toaster and Justin Timberlake.

### Who was the strangest couple to attend the show?

**Joan:** Harry Hamlin and Lisa Rinna. I always get the feeling their bedroom has a trapeze.

### Who was the best-dressed male?

**Joan:** Jeff Probst (left) from *Survivor*. He even asked me for permission to take off his tie. I said, "Why stop at the tie?"

**Melissa:** Steve Carell. He looked absolutely flawless.

### Which male had the worst hair of the night?

**Joan:** Howie Mandel — oh, sorry!
