Out and About With **Us**

Dear *Us* reader, **Howard Stern** has always given props to *Us Weekly* on-air (he recently said it's his "bible"). Even so, when it came time to interview the famous shock jock, news director **Lara Cohen** was surprised that his real personality was almost opposite to his on-air persona. "I'm a longtime fan," says Cohen. "But meeting him, I was surprised by how warm and sweet he is, especially with his girlfriend, **Beth [Ostrosky].**" To learn about Stern's softer side — and what he thinks of this year's biggest couples — turn to page 76.
